Use one hoop to create a whole card! By using the HUSQVARNA VIKING® Majestic Hoop, a four section card can be created that is optimized to fold and stitch. Adjust the lettering and colors to give the design a custom look and feel. Select from over 15,000 threads to create personal palettes with your selected fabric. Feel free to add further embellishments after you stitch out your design such as beads, trim, ribbon, or other notions that will add to the card's appearance.

Create a photo card that is truly individual! A PortraitStitch embroidery of your family or friends can be added to your card.\* Or you can choose to print the photo on paper or fabric to insert into your card as an appliqué. These cards will be treasured items that will be saved for years to come!

*\*Create color, sepia and color tile PortraitStitch embroideries for your greeting cards if you own the HUSQVARNA VIKING® 5D™ Professional.*
